

Part Number: I-DT-E, I-DT-ISB-E & I-DT-ISB-FI

Description: Dual Tour Saddle

Fitment: 2014 Indian Chieftain

Revision: 3

Tools Required	Parts List
5mm Allen Wrench 6mm Allen wrench	

1. Remove side covers.
2. Remove stock seat using a 5mm and 6mm Allen wrench.
3. Reinstall the side covers
4. Plug the wiring pigtail on the Corbin saddle into the stock green wiring pigtail (*Figure 1*). Flip the switch on the saddle. If the switch illuminates, the saddle heater is working.

NOTE: The heater is controlled by the switch along the side of the saddle. The temperature is regulated by an internal thermostat when the heater switch is turned on.

NOTE: The heated seat will turn off approximately 5 minutes after the ignition is turned off.

5. If using the Concert Saddle Bag Audio Kit, you need to mount the speaker amp to the Corbin bracket, then mount the Corbin bracket into place, using the stock bolts and washers (*Figure 2*).

6. To install your dual tour saddle, slide the tabs into place, slowly lower the seat down and secure using the stock bolt (*Figure 3*).

Enjoy your new saddle!
