Tools Required	Parts List
5mm Allen wrench	1 #A01387 Corbin lock pin bracket

NOTE: We recommend the use of Loctite® or other threadlock compound when assembling parts on your motorcycle.

1. Remove stock seat.
2. Remove the four Allen bolts on the seat mounting bracket, using a 5mm Allen wrench (*Figure 1*). Remove the bracket.
3. Install the Corbin bracket where you removed the stock bracket and secure with the stock bolts (*Figure 2*).
4. To install your Gunfighter & Lady Saddle, slip the front tongue of your saddle at the rear of the gas tank, align the bracket on the saddle to the Corbin bracket and push down on the saddle until you hear the lock click (*Figure 3*). To remove, use the supplied key.
